

August 15 – 17, 2027 – Prague,
Czech Republic

Paper Submission Deadline
January 21, 2027

Early-Bird Registration
March 18, 2027

The Conference Proceedings will be published with an ISSN and ISBN, indexed in Scopus, Google Scholar, Semantic Scholar and archived permanently in Portico.

The **9th International Conference on Statistics: Theory and Applications (ICSTA 2027)** aims to become the leading annual conference in fields related to Statistics: Theory and Applications. The goal of this **statistics conference 2027** is to gather scholars from all over the world to present advances in the relevant fields and to foster an environment conducive to exchanging ideas and information. This conference will also provide an ideal environment to develop new collaborations and meet experts on the fundamentals, applications, and products of the mentioned fields.
