

ICSTA'20

August 16 - 18, 2020 | Prague, Czech Republic

The International Conference of Statistics: Theory and Applications (ICSTA'20) aims to become the leading annual conference in fields related to Statistics: Theory and Applications.

The goal of ICSTA'20 is to gather scholars from all over the world to present advances in each of the specialized fields and to foster an environment conducive to exchanging ideas and information. This conference will also provide an ideal environment to develop new collaborations and meet experts on the fundamentals, applications, and products of the mentioned fields. Interested authors, researchers, and industrial experts are invited to register for the conference that best resonates with their technical background. At the same time, attendees are permitted, and even encouraged, to attend talks from co-located conferences.

Paper Submission Deadline: January 24, 2020

Early Bird Registration: March 05, 2020

International Conference on
Statistics: Theory and Applications

The proceedings of these conferences will be indexed by **Google Scholar**.

SUBMISSIONS

Submissions in the form of extended abstracts, short papers, and full manuscripts are welcome. All submitted papers will be peer reviewed.

All accepted and presented papers will be published in the conference proceedings, under an ISBN reference in a USB drive. The online version of the proceedings will also be published under an ISSN reference and each paper in the proceedings will be assigned unique DOIs by CrossRef, and indexed in Google Scholar.
